QUAIL EGGS
FROM
COLOMBIA

01

WHO WE ARE

BUILT ON EXPERIENCE.

Prepared for Global Markets.

At Codorcol, consistency is more than a production goal—it is the foundation of every commercial relationship.

For over nine years, we have specialized exclusively in quail egg production, developing a controlled production model focused on uniform quality, reliable supply and continuous improvement.

Today, we continue strengthening our production capabilities to become a reliable Colombian partner for international food markets.

WHY CODORCOL

CONSISTENCY

You Can Rely On.

International markets require more than a supplier. They require confidence in every shipment.

Our production model is built around five principles that support long-term business relationships.

- Specialized Production
- Consistent Quality
- Reliable Supply
- Traceable Processes
- Flexible Commercial Solutions

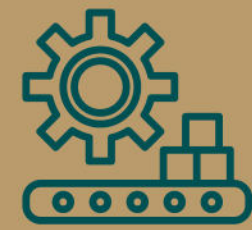

Every product reflects the same commitment to precision, reliability and partnership.
